THURSDAY, FEBRUARY 22, 1855.

The New York Herald's corresponder to has still more thems of news about a Cuban expedition. According to him, the Cabinet has nothing to do now but to watch fillibrate a, and she that the Capinain General of Chab in his artison.

According to him, the Cabinet has a selfst the Capinain General of Chab in his artison.

According to him, the Cabinet has a selfst the Capinain General of Chab in his artison.

The New York Herald's correspondent is an opinion, and charges interest on every bill that is not paid at maturity. Truly, "there is an opinion as is an opinion," and Jack Bunsby count hardly deliver himself more oracularly.

Your correspondent is the extraordinary holy in could hardly deliver himself more oracularly.

Your correspondent i. an extraordinary body in her way. She has such original ideas. She thinks that people who sell for cash can "turn their money" oftener than those who sell on Mesers. D. & J. W. Colton, of Winehester, ind.,

That one small head can earry all she knows." for the number of desires from any section who purchase for cash is small tudeed. She blames cuthorn planters because they do not pay but he chooses. It is not, then, the business of our government to set spies upon our people, or to listen to the tattle of Spatish spies sent here by the Captain General.

Nine out of ten in this country would rejoice at a successful revolution in Cuba, and this aside from any wish to annex the Island to the United States; on that there is some difference of opin—

States; on that there is some difference of opin—

Cuthorn planters because they do not pay but it, when they get returns for their cicps, and rather instinates that they ought to make more then one crop in the year; and what is stranger than all, she says that "planters sell on credit," and hence the difficulty with Southern delies. Again, I am of option that somebody has been imposing on the flow case.

Bear In mind, the Pictures mada at the above Ontonic that somebody has been imposing on the flow case.

Bear In mind, the Pictures mada at the above option that somebody has been imposing on the flow case.

Bear In mind, the Pictures mada at the above option that somebody has been imposing on the flow case.

Bear In mind, the Pictures mada at the above option that somebody has been imposing on the flow case.

Bear In mind, the Pictures made at the hor case in they ought to make more then all, she says that "planters sell on credit," and hence the difficulty with Southern delies.

Bear In mind, the Pictures made at the above sell of the American Eagle of the flow case.

Bear In mind, the Pictures made at the store of the American Eagle of the flow case.

Bear In mind, the Pictures made at the above sell of the flow case.

Bear In mind, the Pictures and at the store the city are to be had at fix of the city are to be had at fix of the city are to be had at fix of the city are to be had at fix of the city are to be had at fix of the city are to be had at fix of the city are to be had at fix of the city are to be had at fix of the city are to be had at fix of the city are to be had at fix of the city are to be h cuthern planters because they do not pay but

further than is needed to execute a very stringent, and, as we conceive, despotic law upon this subject. Spainseems to think we are bound in good

Departed—Belle Sheridan, David Gibson, and Fanny Builitt.

The chair, the nomination of Judge Edward of Greely Loring as Liw Teacher in the University, was submitted for approval. Without debate, a vote was taken, and reculted in yeas 10, nays 20.

This action is in consequence of Mr. Loring acting as Commissioner in the rendition of the lugitive slare Burne, and, in the view of some, foreshadows his removal from the Judgeshlp by the Legislature.
